

MR. SALAS

I will be completing 28 years in the teaching profession this year. I have taught in Phoenix, AZ, Tucson, AZ, and Baltimore, MD and in the Northern Mariana Islands. Most of my teaching career has been in special education, in various disability fields. I have taught grades 1 to 12, and in public, alternative, and now charter schools. I have coached tackle football, flag football, basketball, wrestling, baseball, track, Special Olympic sports, and now soccer, and have been fortunate enough to have participated in a few championships, as a player and a coach.

My greatest accomplishment is being father to my two sons (the boyz). They are the light of my life and my reason for living. Now being in Phoenix (for the 3rd time) I get to spend time with my sister and nephew, which has been fantastic. I enjoy watching movies and documentaries, making wood crafts, reading, and writing. The thing I love most is spending time with my boyz.
